The Eden Energy Medicine Foundations Classes in Frisco is a one-year program designed for those people desiring in-depth coursework and supervision in Donna Eden's style of Energy Medicine (www.innersource.net). This program is based on a curriculum developed by Donna, along with her faculty members. The goal of the program is to help any student of Eden Energy Medicine obtain a firm foundation in the body of work Donna has created over the past 30 years and to develop the skill levels necessary to begin using these techniques regularly, either with family and friends, or in a professional setting.

Successful completion of the Foundations Classes in Frisco will give students the option of applying this class work toward Year 2 of the Eden Energy Medicine Certification Program held in Phoenix, Arizona. Completing Year 2 is optional; students in the Foundations Classes may feel satisfied after one year and not see a need to take their studies further. At the end of the one-year Foundations Program, students will receive a certificate stating they have completed the Foundations Program in Eden Energy Medicine, but this should not be construed as a certification in Eden Energy Medicine, as that requires the completion of the Year 2 program.

The main purpose of the Foundations Classes is educational and classes will include lecture, small group time for practice, as well as question and answer sessions. Each class is designed to provide you with skills for working with the body's energies to promote physical and emotional well-being. This can be an intense experience, and doing energy work in a large group can be taxing, so if you are not in good health we ask you to take this into account before registering. If your primary need is in pursuing a healing experience, we encourage you to contact one of the trained practitioners listed on Donna Eden's website and work with them directly.

The Foundations Classes in Frisco, TX will be taught by Tara Beck. Tara is an advanced Eden Energy Medicine Practitioner and a member of the faculty. Tara became interested in Energy Medicine while studying complimentary healing for her son. Upon reading Donna Eden's book, she knew she had found something special. She is passionate about teaching and feels that it is our birthright to know how to heal ourselves and our loved ones. She absolutely loves teaching and sharing the gift of this work.

WITHDRAWAL POLICY

Prior to Class 1:

Students who withdraw from the program up to 60 days prior to the start of Class 1 will receive a full refund, less a \$25 administrative fee. For withdrawals between 30 and 60 days prior to the start of Class 1, \$300 will not be refunded. Payment for the first class is due on May 1, 2014. For withdrawals that occur from Class 2 forward:

If you withdraw from the program more than thirty days before the start of Class 2, 3 or 4, you will receive a 50% refund on any monies you have paid toward that particular class and a 100% refund of money for classes thereafter. If you just miss a class, but intend on completing the one-year program, you are still responsible for the full tuition for the class missed. Your tuition will still give you access to one of the teachers for questions on the material as well as handouts and continued participation in the Eden Energy Medicine Foundations Classes.
